

New Scholar Email and Google Classroom access

To access your scholar email, in any browser go to gmail.com and click **Sign In** in the upper right.

Next enter the email address and password sent to you in the welcome email

A screenshot of the Google Sign in page. The Google logo is at the top, followed by "Sign in" and "to continue to Gmail". Below is a text input field labeled "Email or phone" containing the email address "hope.charles@scholar.democracyprep.org". There are links for "Forgot email?", "Not your computer? Use Guest mode to sign in privately. Learn more", and "Create account". A blue "Next" button is at the bottom right.A screenshot of the Google Welcome page. The Google logo is at the top, followed by "Welcome". Below is a dropdown menu showing the email address "hope.charles@scholar.democracyprep.org". There is a text input field labeled "Enter your password" with a password strength indicator and a visibility toggle. There are links for "Forgot password?" and a blue "Next" button.

Create a new password and you're all set.

Create a strong password

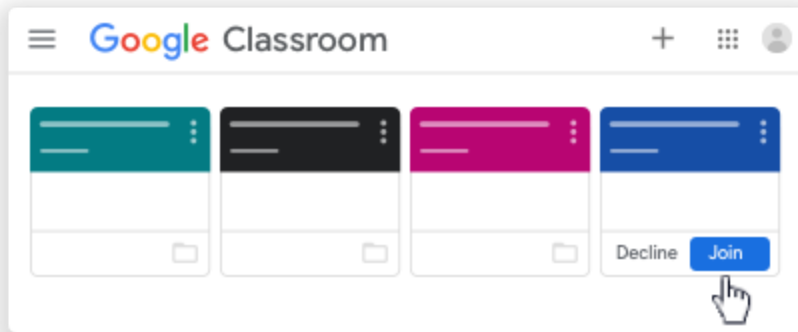

Create a new, strong password that you don't use for other websites

A screenshot of the password creation page. It has a text input field labeled "Create password" with a password strength indicator and a visibility toggle. Below it is a "Confirm" text input field.

To access your homework go to classroom.google.com. On the class card click join.

You should have one class card for ELA and one for Math. Click classwork on top to see your assignment.
